Meet Big Cats and Little Kitties Each Day of the Week

Big cats are fierce predators that roam the world from the mountains to the deserts. How are these wild cats that hunt for their food the same as pet cats that might chase a mouse or ball of yarn? How are they different? The award-winning prequel to this book, *One Wolf Howls*, introduces children to counting and the months of the year as they watch the seasons changing. This sequel introduces children to the days of the week as they travel to seven different world habitats to meet the big cats, and **then back home to compare and contrast the domestic cat's behavior** to that of its relative. Compare/contrast big cat predators to little kitty cats each day of the week.

"For Creative Minds"

Teachers and Parents will love the educational section, which includes the following educational activities:
