### SPEND A DAY IN THE SALT MARSH WITH AUTHOR KEVIN KURTZ

ENVIRONMENTALIST IS DEDICATED TO EDUCATING CHILDREN

#### WHAT

Children's book author Kevin Kurtz teamed up with Sylvan Dell Publishing in South Carolina to create *A Day in the Salt Marsh*, a book about one of the most dynamic habitats on earth. Fun-to-read, rhyming verse introduces readers to hourly changes in the marsh as the tide comes and goes. Watch the animals that have adapted to this ever-changing environment as they hunt for food or play in the sun, and learn how the marsh grass survives even though it is covered by salt water twice a day. Kurtz is available to talk to local media about *A Day in the Salt Marsh* and the importance of our world's aquatic habitats.
