

eBook Site License Set-up Options

Plus: [Viewing Tips](#), [Teacher Tutorial & Training](#), [Next Generation eBook](#)

Option 1: Load a desktop icon on school computers and secure website. The icon is a small (12kb) and safe executable file linked to your site license. Follow use this method: (View [Step-by-Step Tutorial](#))

- For PC's, click on the following link: http://www.sylvandellpublishing.com/WebShortcuts/SylvanDell_eBook_Site_License_-_4BR22M.exe
- For Macs, click on the following link: <http://www.sylvandellpublishing.com/MacShortcuts/macwsdl.php?sc=4BR22M>
- Save the small file to your desktop
- When the download is complete (takes about 2 seconds), close and go to your desktop where you should see a little icon ready to take you to your site license. PCs see a Sylvan Dell logo icon, MACs get a generic icon.
- Click the new desktop icon and it goes straight to your [site license page](#). There is no login.
- Once the site is open, you can also save that page to your browser favorite.
- View Option 1 [Set-up Tutorial](#)

Option 2: Manually enter your school's 6-digit site code on our [Site Code Entry](#) page linked from our [Homepage](#) and the [School Resource Grant](#) page. Very easy!!!

Site license for: **Sample Elementary**
Site code: **4BR22M**

Here is a step by step...

- From the upper right corner of our homepage: www.SylvanDellPublishing.com, click: [Enter Site Code](#).
- First time you try it, copy and paste into the block to make sure it is working. After you confirm it works type it in: **4BR22M** in the block (all digits in CAPS and watch for 1s (ones) looking like l (capital eyes) and l (lower case els)).
- Then click: Validate Access Code and it goes straight to your [site license page](#). There is no login.
- View Option 2 [Set-up Tutorial](#)

Try that and call us toll free at 877-958-2600 if it does not work. We want this to be easy and fun and we are here to help.

Option 3: Pass the Site License Link below around to your teachers.

Site license for: **Sample Elementary**
Site code: **4BR22M**
Code expiration date: **12/15/2009**
Site License Link: <http://www.sylvandellpublishing.com/sitelicense.php?sc=4BR22M>

- Click the link above and it goes straight to your school's [site license page](#).
- Once the site is open, you can save the page to your browser favorites
- View Option 3 [Set-up Tutorial](#)

You do not need to Login to our website unless you are going to purchase using the [Online Store](#) or you'd like to sign up to receive our educator [eNewsletters](#) and/or [Catalog](#) / [Flyer](#) mailings.

You are welcome to pass these three options with codes and links on to your teachers and the children so they can access the eBooks from classroom or from home but please ask that it not be further disseminated. There are no penalties here but we obviously want to minimize use by those outside the school family ... best effort appreciated. While the Sylvan Dell icon-link on all desktops and websites is mighty pretty, form follows function, so find what works best for you and your schools.

- We recommend Option 1 for within the school and Option 2 to send home with the children. All these options are easy and safe!

Rather than torture IT folks with requests for IP range information, we have a simple sampling algorithm that alerts when computers outside the school's IP cluster and geographic area access the site license.

Scroll to next page for: eBook Viewing Tips, Teacher Training, and what's coming in our next generation eBook....

Tips to optimize eBook viewing:

- Before viewing, always load the cache memory by very quickly clicking through each page (you don't need to wait for each image to display) and then fast return to the beginning. This lets you begin viewing the early pages, while later pages are generating in the background, and makes the page flipping like a rocket.
- We recommend pressing F11 to cause your browser to show the page as full screen.
- Before showing the eBooks, we recommend opening the respective book's homepage to see the Questions to ask before and after reading the book (found in the Teaching Activities) and click through the For Creative Minds section and the 3 interactive quizzes.
- There is a learning curve, and teachers should play with the eBooks and get comfortable before showing to a classroom of anxious children.
- Please call if you are having any difficulty: 877-958-2600.

Tutorial & Training:

- If your teachers and parents are looking for a quick primer, you might want to have them step through the "[How to Use Sylvan Dell eBooks and Books in the Classroom](#)" guide on our [Teachers and Librarians](#) page ... We are happy to walk through it with you by phone if that would be a help. Call toll free 877-958-2600.

Next Generation eBook:

Here are some of the improvements we are working on:

- Locking audio to the page so that as the page flips, the audio for that page is read
- The option to either flip pages manually or to set it up like a slide show with adjustable viewing time per page
- Option for early readers to have an audible signal after a page is read to indicate that it is time to turn the page
- When shifting between English and Spanish text, it should stay on the same page rather than revert to the cover
- Improve cache memory load speeds so that wait time between page flips is reduced (remember, always rapidly click through each page and then return to front cover before reading the eBook)

If you have additional feedback, we would love to hear your thoughts!
